COMPANY SUMMARY

SAS Facility Management is a service organization that has attracted top tier industry clients. We deliver value to you by enhancing the appearance of your work environment through efficient and effective delivery of support services. SAS's partnership creates synergies that improve cost, quality, safety, and client satisfaction. From our Houston headquarters, we support our clients in Houston and throughout the southeast. We provide services to local municipalities, state agencies, federal buyers as well as the commercial market.

SAS has a proven understanding of the cleaning industry and a total commitment to client satisfaction. We deliver quality services that are financially rewarding through consistent and comprehensive account management. With a unique management structure, SAS' Client Service Managers (CSM) are dedicated in ensuring that every customer receives our total commitment. Our pricing is customized based on the project. All our clients know they are only paying for the services that they need.

SAS is relentless in its pursuit of excellence. Our team will offer our clients a combination of facility management, delivered with innovation, cost effectiveness and measurable service outcomes. We will strive to become the market leader in our field and our clients will be advocates of our business.
